Animal Science Series Offered

A series of workshops on animal science are being offered in the North Country during the month of March. The topics are especially pertinent to anyone raising Dairy, Horses, Beef, Sheep, Swine or Dairy Goats.

Dates and topics of meetings are:

March 9th Terry Dockerty—Extension Meat Specialist, selection and use of meats, will include a demonstration of meat cutting using a pork carcass.

March 16th Elizabeth Oltenacu—4—H Dairy Specialist, selecting animals and animal psychology.

March 23rd Sam Sabin—4—H Horse Specialist, Animal Physiology.

March 30th Sam Sabin—4—H Horse Specialist, Animal Nutrition.

Instructors for the series are from Cornell University's College of Agriculture and Life Sciences at Ithaca. Workshops will be held at the John W. Harrold Education Center (Clinton County BOCES) on the corner of Rt. 3 and the Military Turnpike in Plattsburgh from 7:30 to 9:00 P.M.

Free transportation is available from Malone departing at 6:30 P.M. Reservations must be made by calling the Franklin County 4—H Office at 483-6767 Ext. 353. This series is sponsored by the 4—H Programs of Clinton, Essex and Franklin Counties. For more informatin contact Ron Howe, Coopertive Extension Agent 4—H Program at the above telephone.

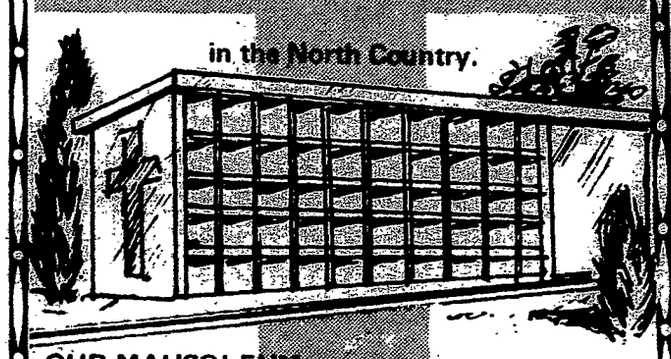
for those deserving special recognition

FIRST AND ONLY ABOVE GROUND MAUSOLEUM

in the North Country.



OUR MAUSOLEUM

For families looking for something better than in-ground burial.

For those who experience death in the Winter Months, Whispering Maples Memorial Gardens accepts year-around burials, eliminating the needless grief and anxiety of the anticipation of a Springtime burial.

For those people who have a fear of in-ground burial or those who prefer the certainty that their burial place is unquestionably clean and dry in an above-ground mausoleum.

Time Is Valuable!

With one single purchase of a mausoleum crypt, you replace the need for the arrangement and purchase of the following:

1. Burial Plot
2. Burial Vault
3. Monument
4. Monument Foundation
5. Grave Markers
6. Final Dates
7. Perpetual Care
8. Cemetary Assessments
9. Opening Grave
10. Winter Storage
11. Spring Burial Service
12. Maintenance

You may be surprised to learn that our mausoleum will cost no more than ground burial. Check with us for details.
